

March 2022

The Viewpoint

Greetings Club Members,

It is almost SPRING! Hopefully everyone is looking forward to warmer weather and getting out and about to document with your camera. We have so many new and interesting monthly assignments coming up. One of them is Street Photography. Our guest speaker Doug Hinebaugh a local Toledoan will be sharing his images and experience with us on Thursday, March 10 at 7pm via zoom. I encourage you to attend and enjoy! This is open to nonmembers and members of PACT. Please see our website and click on the events/calendar for the Zoom link.

Board Elections

In other news we will be conducting votes for the upcoming board elections, please make sure you have submitted your requests to Michele Kipplen by March 1 for submission.

Annual Contest

Our Annual Contest is coming soon. Please consider supporting our club in this effort. Contact Wennie at wennieanderson120@gmail.com

We recognize that the current uptick in COVID cases raises concerns about gathering with folks outside of our immediate circle of family and friends but be assured the planning committee is working to ensure that proper COVID protocols are in place, including masking and distancing.

Only two days left to drop off at the clubhouse (3/5, 3/12). The clubhouse will be open from Noon to 4pm to receive entries, we will set up a drop off table where we can maintain proper distancing. Signs will be displayed encouraging masking and distancing. We will have extra masks available along with hand sanitizer. Kohn's Camera and Wildwood locations will be open as well.

For processing (3/19) and judging (3/22) we will enforce masking. Both events will be conducted in the gallery area of the Secor Center (not in the Secor Room) which will provide a larger area which should facilitate greater distancing. We will have extra masks available along with hand sanitizer. No food will be provided.

The reception on 3/25 will be virtual via ZOOM. All photographers having submitted entries will be invited along with club members.

For the hosting weekends (Sat/Sun Noon to 4pm) at the Secor Center, signs will be displayed encouraging masking and distancing. Extra masks and hand sanitizer will be available. We are considering having a Plexiglass barrier at the desk to limit exposure. We will also be posting the contest results on a panel for "no touch" viewing and to minimize interactions.

Weekend Hosting from Noon-4pm needed for the following dates:
3/26, 3/27, 4/2, 4/3, 4/9, 4/23, 4/24, 4/30, 5/1, 5/7, 5/8, 5/14

Takedown on Sun 5/15 Noon to 4 pm.

Charlie Mather, Co-Chair, 2022 Annual Contest Planning Committee
(matherc@yahoo.com)

Upcoming Education Night on Zoom:

March 10 at 7pm via zoom, Toledo Photographer Doug (Dougie) Hinebaugh will share his knowledge of street photography in the Glass City.

Zoom information is available on the club's website on the Event Calendar.

<https://www.photoartscluboftoledo.com/club/clubschedules.aspx>

Doug Hinebaugh's Biography

"What is Street Photography to you? To Toledo native and area photographer Doug Hinebaugh, street is the purest form of candid photography that also happens to be the most fun to shoot. Whether in a sleepy small town or a sprawling contemporary metropolis, Dougiefresh(as he's known) seeks out moments that tell the honest stories of the streets in his vibrant and colorful trademark style. Sticking to his mission to consistently help his city put its best foot forward, Doug has learned to follow his heart and he knows it all starts in Toledo. And he's off to a flying start connecting with thousands who share in his hometown pride and how he sees the place he loves most with his camera."

Altered Reality

Altered reality is the altering of a photograph to the point that it no longer a representation of reality. Elements can be added to the picture but all elements must be the work of the presenting photographer.

Steve Stalker has submitted a video of images submitted a few years ago by club members which fit this category. A prompt was given to the photographers and they responded in various ways to the prompt. The video can be viewed by following this link.

<https://www.photoartscluboftoledo.com/Downloads/a243052a-d15f-4ef9-b286-bed477825069?o=y>

Members!! For your convenience you can now renew your dues using **PayPal**. You do not need a PayPal account; you can pay by using your PayPal account or a credit or debit card.

Helpful Information

These are links submitted by members that can be helpful in your understanding of photography.

PPI vs. DPI Both are talking about resolution but refer to different media.

Monthly competitions

For the February competition there were 39 entries from 12 members, and there were 11 members that did judging. 30 of the entries were in the Assignment, it was popular. Any competing member can judge a contest, you don't have to enter to judge the contest.

The March competition is open now. The assignment is **Altered Reality**.

Competition assignments

March – **Altered Reality**: the use of a software in which a photo is altered to the point that it no longer reflects reality. The altered photo and any added components must be the original work of the entrant.

April – **Street Photography** – A genre of photography that records everyday life in a public place. The very publicness of the setting enables the photographer to take candid pictures of stranger, often without their knowledge. A street photograph is a real, unposed moment.

May – **Smoky, Misty or Foggy**.

Wennie is tabulating the voting on the upcoming assignments for 13 months starting in June. You will be hearing more from her.
