The Photo Arts Club of Toledo presents its annual **“Improve Your Photography”** seminar.

If you want to go beyond shooting snapshots and start creating photographs, this seminar is for you.

Check website for fall class dates

Appropriate cameras include Digital SLR's, mirrorless and point and shoot cameras that have the capability of non-automatic modes (manual, shutter priority and aperture priority).

Classes are held on 3 consecutive Thursdays at 7 PM. Class size is limited to 6 students. You can send an email to contact@photoartscluboftoledo.com with inquiries.

Enrollment is limited so register early.

Note: Camera with a fully charged battery, memory card and camera manual are recommended for all sessions.

Week 1 - Camera 101

In this session we will explain exposure, you will explore camera short-cut buttons, Auto focus, ISO, Aperture and Shutter priority.

Week 2 - Exposure 101

In this session you will learn explore the various metering modes, the histogram, exposure compensation. There will be a Composition presentation, that will demonstrate techniques for controlling the contents of your photo, to raise it beyond a snapshot, by increasing its impact, and keeping the viewer's attention where you want it.

Week 3 – Hands-on day and editing

We will be outside the classroom practicing with your camera. Afterwards there will be a presentation on photo editing.
