# The Viewpoint

Letter from the President

Events for October 2023

Greetings Members,

So many exciting things happening as the Holidays grow close.

We have signs of fall popping up, leaves changing colors and our days getting shorter.

I encourage you to take time and capture the brilliant colors mother nature has to offer.

## Events for October 2023

Saturday, October 14th- Art in the Garden Open house. All the Artist's buildings will be open from 11am till 4pm. It is asked that each building follow the theme of the day. Since Metro-parks is not having Trunk or Treat this year the village arts agreed to incorporate a Halloween theme. Suggestions are if you are hosting to dress up in a costume, pass out little treats (we have a large bucket of DUMDUM suckers that we can distribute. If we run out of candy it is ok. **Studio Group** will be doing a fun session involving decorating and doing portraits in a Halloween theme. We have Maggie, our club mannequin has agreed to participate this year as a mummy. We will need volunteer greeters to be in the club house 11- 4pm. Please consider wearing some sort of costume during hosting. Please let me know if you are interested. Phone call or text at 419-283-4616 after 6pm If you're interested in participating in the Studio Group. Email [jdillion356@aol.com](mailto:jdillion356@aol.com)

October Studio Group-Saturday Oct. 14th at 10am will be meeting and doing a fun and festive theme. We will be setting up a haunted house backdrop and props, photographing portraits for a spooktacular good time. RSVP to [jdillion356@aol.com](mailto:jdillion356@aol.com).

## **Events for Heralding The Holidays-**

This year we have decided NOT to provide sweets and beverages in our clubhouse because of the outside food vendors that participate. We want to respect these vendors. Every year at multiple events the food vendors give of their time and cost to be at the artists events and do not charge to come. We appreciate them always being flexible and supportive of our events.

So, since the gift card raffle was a big success last year it has been suggested we continue this raffle. If you have gift cards you would like to donate, please let Wennie Anderson [Wennieanderson120@gmail.com](mailto:Wennieanderson120@gmail.com) know via email of your interest in donating gifts cards.

It's also a perfect time to display your works in the club house during the event. If you would like to bring art in for display or for purchase the club house will be open on, Nov. 11th 11am-4pm, Nov.30th 4pm till 8pm. Please reach out to Michele Kipplen [michelekipplen@gmail.com](mailto:michelekipplen@gmail.com) if you have any questions or plan to drop off works.

### **Heralding the Holidays Work Day – Thursday, November 30th 4pm till 8pm**

We will be decorating the club house for the event. Those interested in helping with set up please reach out to Wennie Anderson. The duties include but are not limited to, decorating Christmas tree, hanging art, assembling the panels for displaying framed art. Filling buckets for path luminaries.

If you are unable to come to work day , how about volunteering for the various time slots as a greeter. Wennie is accepting volunteers for Friday, Dec. 1, Sat. Dec. 2 and Sun. Dec 3rd. Contact Wennie to get your first pick of time slot. [Wennieanderson120@gmail.com](mailto:Wennieanderson120@gmail.com)

**Family Portraits-** We have an opportunity to set up a portrait station during Heralding the Holidays. The space is at Unruly Arts Studio.

Before we commit to their space we need to know if club members are interested in assisting with the sessions. During Heralding the Holidays visitors can come and have their photo taken by a member of Photo Arts Club.

We would need volunteers to sign up to take photos, greet visitors and get their contact info from them.

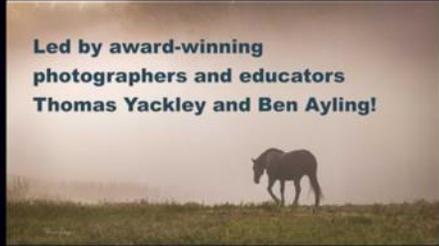

Anyone interested contact John Dillon by email at [jdillon356@aol.com](mailto:jdillon356@aol.com)

# Great Smoky Mountains Workshops October 11-14, 2023

New PACT member, [Ben Ayling](#) is teaming up with Atlanta-based landscape and nature photographer [Thomas Yackley](#) to lead a photo workshop in the Great Smoky Mountains. Both are award-winning photographers and career educators. Ben and Tom recently traveled together for a 25-day photo trip to Alaska and spent 11 days in the Rocky Mountains National Park this April. Check out their webpages by clicking their names above.

Join us as we photograph the beauty of the Great Smoky Mountains, the most popular of America's National Parks for a reason! We'll photograph intimate landscapes and great vistas, from streams, cascades, and overlooks to historic buildings.

## Commitees

The **Studio Group** is meeting on Saturday October 14th. We will facilitate the outdoor "Selfie Photo" backdrop, and host the photo display inside the clubhouse. We need one peron to work the backdrop outside, and at least one person inside. An additional person to work as relief would also be desirable. Please let John Dillon know if you will attend. [jdillon356@aol.com](mailto:jdillon356@aol.com)

**Lightroom group** will meet on Monday, Oct 16th at 7:30 pm via Zoom. We will be revisiting the masking tools in Lightroom Classic, particularly using add, subtract and intersect to create more refinement.

**The Getting Started with Lightroom Classic** will meet again on October 23rd at 7pm via Zoom for Part 3. We will continue exploring the editing options in Lightroom.

**NEO Waterfalls** Most of the waterfalls in North East Ohio that I have seen occur on streams that are flowing north as the water falls from the Allegheny Plateau over the Portage Escarpment to the Lake Plain. This means that lighting can be tricky in photographing the falls due to the back-lighting effect through much of the day. Still, there are many waterfall gems in the area. Here is a sampling of some of them along with links to webpages with more information about the parks and how to get to them. **Elizabeth Mather** Lake County Ohio – Lake Metroparks

- Paine Falls in [Paine Falls Park](http://www.lakemetroparks.com/parks-trails/paine-falls-park) <http://www.lakemetroparks.com/parks-trails/paine-falls-park> Impressive falls just a short walk (down hill/stairs) from the parking lot.
- **Chair Factory Falls** – Along the Greenway, I recommend parking at the [Old Stone Schoolhouse](http://www.lakemetroparks.com/parks-trails/paine-falls-park) <http://www.lakemetroparks.com/parks-trails/paine-falls-park> and using the access trail to get to the Greenway. Alternatively, if you will be visiting [Jordan Creek Park](http://www.lakemetroparks.com/parks-trails/jordan-creek-park) <http://www.lakemetroparks.com/parks-trails/jordan-creek-park> too, you can park there and walk the Greenway Trail to the Chair Factory Falls Trail from there. History hikes to these falls are offered occasionally through Lake Metroparks Parks Plus Programs .
- [Hogback Ridge Park](http://www.lakemetroparks.com/parks-trails/hogback-ridge-park) <http://www.lakemetroparks.com/parks-trails/hogback-ridge-park>
- – small cascades along trail along Bluebell Valley Path trail o This park has some lovely rapids and small cascades that can be seen by walking the natural surface Bluebell Vally Path trail. This park also has a rentable cabin if you are looking for a place to stay while you visit.
- [Hell Hollow Wilderness Area](http://www.lakemetroparks.com/parks-trails/hell-hollow-wilderness-area), <http://www.lakemetroparks.com/parks-trails/hell-hollow-wilderness-area>
- – off trail through an undeveloped section of the park. Most of this park is left wild and undeveloped. I have not hiked off the trail at the end of the Wildcat Trail to see the waterfalls along this stream, but I've heard great things about them. Guided off-trail hikes are offered occasionally through Lake Metroparks Parks Plus Programs –
- [Hidden Valley Park](http://www.lakemetroparks.com/parks-trails/hidden-valley-park) - <http://www.lakemetroparks.com/parks-trails/hidden-valley-park>
- The waterfalls are actually on private property adjacent to park property if you continue beyond the end of the River Breeze Trail on a tributary to the Grand River. Note, you would be trespassing on private property to visit these falls, but the locals regularly do so and the falls are beautiful
- Baker Road Park – <http://www.lakemetroparks.com/parks-trails/baker-road-park> hard to see the waterfalls, but may be photo-worthy on the right day, perhaps during leaf-off times The falls can be seen to the west of the trail where some benches and a fence are installed (before you head down the steep hill to the Grand River) [Approximate coordinates for viewing the falls: -81.119 41.734]
- Jordan Creek , <http://www.lakemetroparks.com/parks-trails/jordan-creek-park> The rapids/small falls along Jordan Creek can be seen from the bridge on the Research Station Loop Trail. This park is also adjacent to the Greenway Trail and access to Chair Factory Falls can be made by parking here and walking the Greenway access trail to the Greenway and then north to the Chair Factory Falls trail.
- **Little-known falls within Cuyahoga County, Ohio**
- Cleveland Heights – Forest Hills Park – part at the Clev. Heights Recreation Center. <https://chparks.com/>
- This park actually falls both within Cleveland Heights and East Cleveland. The waterfalls are on the southern end of the park within Cleveland Heights and the best place to park to see them is at the Cleveland Heights Recreation Center. The 3 cascades can be seen along the section of stream labeled Dugway Brook on this trail map • Shaker Heights
- – Doan Brook Gorge <https://www.freshwatercleveland.com/breaking-ground/DoanGorge100318.aspx>
- along Doan Brook, Fairhill Rd. Rockefeller Park – Near intersection of Kemper Rd. and Fairhill Rd.
