

Photo Arts Club of Toledo

About Us

The Photo Arts Club of Toledo is an associate organization of the Toledo Botanical Garden. Our purpose is to provide educational opportunities to members and the public. We strive to assist members in improving their photography skills through fellowship and involvement in the club's activities. We offer exciting educational meetings, seminars, classes, contests, fun photo excursions and informative programs. Our web site, monthly online newsletter, "The Viewpoint" and emails keep members informed about upcoming club activities.

Facilities

Our clubhouse is located in the village area of the Toledo Botanical Garden. This facility contains a studio and space for our members to meet and display their best works to the public.

Meetings

Meetings are generally held on the first and third Thursdays at 7:00 PM in the PACT clubhouse in the TBG village area. Meetings are open to the public and we encourage anyone to join us. The meetings offer an opportunity to learn from guest speakers, photography related manufacturers and presentations by our club members. We also hold club contests and an annual contest to challenge your photographic skills.

Special Interest Groups

In order to more closely pursue individual interests in photography, special interest groups meet in the club house. Periodically, the content changes to meet the members' needs.

Other Activities

Several photographic trips and photographic scavenger hunts are planned each year.

Exhibits

Members are offered the chance to showcase their photographs in the club house and various galleries.

Education

We provide opportunities for the public to learn about photography by offering classes and seminars on beginning and advanced levels.

Information

Our web site and monthly newsletter, "The Viewpoint" will keep you informed about club activities and other photographic events. Information is also sent through email.

Who should join?

We welcome any and all levels of photographers and age groups to join. Visitors are always welcome at the meetings & outings.
