Education Night

November 11th is Education night and we will have a guest speaker, Brent Paull of Brent Paull Photography and America West Photo Safaris. This will be a zoom meeting.

Brent Paull is a professional photographer. Early in his career, after more than a decade of shooting freelance for magazines he ventured into portrait photography. His strengths as a portrait photographer come from understanding light, composition, and balance - skills he learned as a nature photographer. After 18 years in Utah's Cache Valley, he sold his home and studio and moved to Tulare. Today, he spends most of his time leading photo safaris around the American West and teaching photography. Brent's images have been published throughout the United States and in a number of foreign countries. Publication credits include National Geographic, Outdoor California Magazine, Utah Adventures Magazine, Wild Outdoor World, Peterson's Photographic, Bugle Magazine, Arizona Wildlife, Utah Business, Sequoia/Kings Canyon National Park Newspaper, Yosemite Visitor's Guide, among others.

Brent has spent over 1200 days photographing Yellowstone National Park, with over 300 days shooting in Grand Teton National Park and in Zion National Park. He has shot in 18 national parks, and dozens of national monuments, national wildlife refuges, state parks, and wildlife management areas throughout the American West. He has personally led over 750 photography safaris, photographed over 700 weddings, thousands of families, and other portrait clients, and had nearly 200 commercial clients. He is one of the few photography guides that has stuck to his area of expertise his entire professional life - the American West - with an emphasis on wildlife photography. amwestphoto.com

We are looking for more framed and non framed works of photography to be displayed and available for purchase if you would like to hang in the clubhouse. Setup, greeters, strolling photographers to document the event.

Please reach out to [Wennie Anderson](#) to volunteer.

Our volunteer hours for this event is part of our lease agreement, I would really like to see more people assisting this holiday season.
