Annual Contest - Details

Contact Wennie Anderson to volunteer

Our Annual Photo Print contest is coming up soon. It will be held at the National Center for Nature Photography at the Secor Metro Park. This will be our 29th Photo Contest. Last year we were asked by the Secor Metro Park National Center for Nature Photography to combine our contest with their contest. This is the result of our contests being held one right after the other and also because of lack of time for the people who headed up the Secor contest. It was also noted that many of the same photographers entered the same entries into both contests. This venture proved to be a success for both groups.

We are in need for workers to man the many different days and tasks that are needed to have this contest be a success.

I will show the dates, task needed and times of these days.
