### **May 1st Meeting**

We have a great hands on project for Thursday, May 1, 2014. Steve Stalker will be presenting a program on matting pictures. This will come in handy with the Annual PACT contest coming up in just a few months.

After Steve's presentation you will have the opportunity to cut a mat yourself. We will have some mat board to work with, but if you have a particular size and/or color in mind, you will want to bring that with you to the meeting.

I'm looking forward to seeing each of you at the meeting on Thursday, May 1, 2014, 7:00 p.m., at the conference center.

Peace,  
Kay Derr

### **Studio Group May 10th.**

Hi, all. The Friendly Center shoot is fast approaching, and I have heard from several of you who want to help. Thanks in advance for the support for this project.

As you know, the shoot is May 17th, and our normal Studio Group session would be May 10th. Ordinarily, I would suspend the regular session in lieu of the Center shoot, but this year I am open to having a session on the 10th to set up our equipment as we would at the Center, and then make some practice portraits to get the "feel" for what to expect. I will be at the clubhouse Sat May 10th at 10am for those who wish to do this. If you cannot make the Friendly Center shoot, but would like some setup and shooting practice, feel free to attend.

John Dillon  
uncoordinated Coordinator

### **Lightroom Group May 19th**

The group has decide to concentrate mostly on the post-processing features of Lightroom, so we'll be spending most of our time on the "Develop" module in the foreseeable future. We will not be meeting over the summer months.
